

CUVÉE D'HONNEUR

15 km from Carcassonne, this wine exploitation is managed by the same family **since 1817**. It covers various soils regarding protected origin labels (AOP) MINERVOIS and protected geographical origin PAYS D'OC wines.

Bénédicte and Rodolphe GOBÉ are the seventh generation and took over the domain in 2009. They carry on their traditional Minervois and have the audacity to invent original wines like their rare blend of white sauvignon, Viognier and Marsane used in the wine called **Odysée** or their famous "tête de cuvée" wine **le Voyage de l'Amiral**, an exceptional Marselan, named ambassador of the Pays d'Oc wine.

AOC MINERVOIS

This exceptional cuvée is entirely handmade, from the harvesting to the labeling, in the secret of the tradition. Produced in a small quantity, only 1817 bottles and with only grand years!

The bottle invites you to dream : it was created by an engraver artisan and takes you to the entrance of the chateau with its rounded architecture, unique in the region.

At the hearts of this curve, sheltered of the winds, in front of the park: here seven generations of a same family have succeeded to offer you this cuvée.

Carignan et Grenache

Its wild garrigue odor, with leather notes, spices, saffron and clove invite you to taste. A harmonious impression in the mouth, the tannins melt in the mouth with a perfumed finality. An elegant wine with a subtle woody taste.

To taste between wine lovers, during a generous and delicious meal.
